IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens a new account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

NOTICES: California Residents: If you are married, you may apply for a separate account. **Ohio Residents:** The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law. **Vermont Residents:** We are engaged in loan production. **Married Wisconsin Residents:** If you are applying for individual credit or joint credit with someone other than your spouse, and your spouse also lives in Wisconsin, combine your financial information with your spouse's financial information. No provision of any marital property agreement, unilateral statement under Section 766.59 of the Wisconsin statutes or court order under Section 766.70 adversely affects the interest of the lender, unless the lender, prior to the time credit is granted is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision when the obligation to the lender is incurred. If married, you understand that your lender must inform your spouse if a credit account is opened for you.

By submitting your request for credit electronically each of you certify that (i) all of the statements made in this Application Information form or verbally communicated to your Contractor or your Contractor's Associates are true and correct and are made for the purposes of obtaining credit and (ii) if more than 1 Applicant, none is a co-signer. Further, you authorize GreenSky Trade Credit, LLC and the Lender to: (1) obtain a credit report on you for any legal purpose in connection with this loan application, including any update, extension of credit, review or collection of your loan, and (2) notify your Contractor or your Contractor's Associates of our credit decision and (if approved) the proposed loan repayment period. If you request, you will be informed whether any credit report was requested, and if so, the name and address of the consumer reporting agency furnishing this report. You agree to provide additional financial information upon request. By submitting this loan application, you expressly authorize the shared disclosure of loan-related information, including, but not limited to, your credit decision, proposed loan terms and personal credit scores, to any co-applicant or co-borrower, which will have the same effect as personal delivery to you.

Upon loan approval, a Shopping Pass will be issued. Use of that Pass, or your Installment Loan, to make a purchase, whether in store, online, by telephone, through In-Home Services or otherwise, by (any) Borrower (or any authorized user), will constitute acceptance of the Installment Loan Agreement governing the Pass by (all) Borrower(s). The physical and electronic records of any such purchase will constitute the signature of (all) Borrower(s) on the Installment Loan Agreement. For any additional information or assistance, please contact Customer Service at 866-936-0602.
